Created by former lead guitarist of Louisiana Swamp Donky, Leif Shively Band brings a fresh take on country/southern rock with high energy and are all about a good time. Our songs are the stories of our lives.

With lead vocalist Leif Shively, lead guitarist Kyle Roop, keys/ Ethan "Slimmy" Spillers, bass/ Eric Shively, drums/ Jackie Brock, and rhythm guitarist/ Gavin Hodges as they bring an electrifying performance to the stage inspired by legendary acts such as Led Zeppelin and Lynyrd Skynard while still keeping the soul of their country roots.
